VOLUME 1 SECTION 1 - INSTRUCTIONS TO TENDERERS

A. GENERAL PART

1. General Instructions

- 1.1 In submitting a tender, the tenderer accepts in full and in its entirety, the content of this tender document, including subsequent Clarifications issued by the Contracting Authority, whatever his own corresponding conditions may be, which he hereby waives. Tenderers are expected to examine carefully and comply with all instructions, forms, contract provisions and specifications contained in this tender document.

No account can be taken of any reservation in the tender as regards the tender document; any disagreement, contradiction, alteration or deviation shall lead to the tender offer not being considered any further.

The Evaluation Committee shall, after having obtained approval by the Head , Contracts Committee, request rectifications in respect of incomplete/non-submitted information pertinent to the documentation as outlined in sub-Clause 16.1(a), 16.1(b), 16.1(c), 16.1(d) and 16.1(e)(i) of these Instructions to Tenderers. Such rectification/s must be submitted within five (5) working days from notification, and will be subject to a non-refundable administrative penalty of €50: failure to comply shall result in the tender offer not being considered any further.

No rectification shall be allowed in respect of the documentation as outlined in sub-Clause 16.1(e)(ii) and 16.1(f) of these Instructions to Tenderers. Only clarifications on the submitted information in respect of the latter may be eventually requested.

- 1.2 The subject of this tender is the **DESIGN, SUPPLY, DELIVERY, AND INSTALLATION OF A NEW SURFACE FOR THE WARM-UP TRACK & UPGRADING OF THE TRAINING LONG JUMP PIT IN THE WARM-UP AREA AT THE MATTHEW MICALLEF ST JOHN ATHLETICS TRACK MARSA IN CONFORMITY WITH ACCEPTED STANDARDS AS REFERRED TO IN VOLUME THREE IN TECHNICAL SPECIFICATIONS.**

- 1.3 The place of acceptance of the supplies and installation shall be **MATTHEW MICALLEF ST JOHN ATHLETICS TRACK MARSA.**

- 1.4 This is a lump-sum contract.

- 1.5 The tenderer will bear all costs associated with the preparation and submission of the tender. The Contracting Authority will in no case be responsible or liable for such costs, whatever the conduct or outcome of the procedure.

- 1.6 The Contracting Authority retains ownership of all tenders received under this tender procedure. Consequently, tenderers have no right to have their tenders returned to them.

3. Lots

- 3.1 This tender is not divided into lots, and tenders must be for the whole of quantities indicated. Tenders will not be accepted for incomplete quantities.

4. Financing

- 4.1 The project is financed from local budget funds.

- 4.2 The beneficiary of the financing is MAAA.

5. Eligibility

- 5.1 Participation in tendering is open on equal terms to all natural and legal persons of the Member States of the European Union, the beneficiary country, any other country in accordance with Regulation 69 of the Public Procurement Regulations.

- 5.2 Natural persons, companies or undertakings who fall under any of the conditions set out in Regulation 50 of the Public Procurement Regulations, 2010 (Legal Notice 296 of 2010) may be excluded from participation in and the award of contracts. Tenderers or candidates who have been guilty of making false declarations will also incur financial penalties representing 10% of the total value of the contract being awarded.

- 5.3 Tenders submitted by companies forming a joint venture/consortium must also fulfil the following requirements:

- One partner must be appointed lead partner and that appointment confirmed by submission of powers of attorney signed by legally empowered signatories representing all the individual partners. The tender must include a preliminary agreement or letter of intent stating that all partners assume joint and several liability for the execution of the contract, that the lead partner is authorised to bind, and receive instructions for and on behalf of, all partners, individually and collectively.
- All partners in the joint venture/consortium are bound to remain in the joint venture/consortium until the conclusion of the contracting procedure. The consortium/joint venture winning this contract must include the same partners for the whole performance period of the contract other than as may be permitted or required by law.

- 5.4 All materials, equipment and services to be supplied under the contract must originate in an eligible country. For these purposes, "origin" means the place where the materials and/or equipment are mined, grown, produced or manufactured and/or from which services are provided.

6. Selection Criteria

- 6.1 In order to be considered eligible for the award of the contract, tenderers must provide evidence that they meet or exceed certain minimum qualification criteria described hereunder.

In the case of a joint venture, the joint venture as a whole must satisfy the minimum qualifications required below.

- 6.1.1 Evidence of economic and financial standing is required.

6.1.2 Information about the tenderer's technical capacity.

An economic operator may, where appropriate and for a particular contract, rely on the capacities of other entities, regardless of the legal nature of the links which it has with them. It must in that case prove to the contracting authority that it will have at its disposal the resources necessary for the execution of the contract, for example, by producing an undertaking by those entities to place the necessary resources at the disposal of the economic operator.

7. Multiple Tenders

- 7.1 A tenderer may submit multiple tender offers.
- 7.2 A company may not tender for a given contract both individually and as a partner in a joint venture/consortium.
- 7.3 A company may not tender for a given contract both individually/partner in a joint venture/consortium, and at the same time be nominated as a subcontractor by any another tenderer, or joint venture/consortium.
- 7.4 A company may act as a subcontractor for any number of tenderers, and joint ventures/consortia, provided that it does not participate individually or as part of a joint venture/consortium, and that the nominations do not lead to a conflict of interest, collusion, or improper practice.

8. Tender Expenses

- 8.1 The tenderer will bear all costs associated with the preparation and submission of the tender.
- 8.2 The Contracting Authority will neither be responsible for, nor cover, any expenses or losses incurred by the tenderer through site visits and inspections or any other aspect of his tender.

9. Clarification Meeting/Site Visit

- 9.1 A clarification meeting/site visit will be held on the date and time indicated in Clause 2, at **MATTHEW MICALLEF ST JOHN ATHLETICS TRACK MARSÀ** to answer any questions on the tender document which have been forwarded in writing, or are raised during the same meeting. Minutes will be taken during the meeting, and these (together with any clarifications in response to written requests which are not addressed during the meeting) shall be posted online as a clarification note as per Clause 11.2.

Meetings/visits by individual prospective tenderers during the tender period other than this meeting/site visit for all prospective tenderers cannot be permitted.

B. TENDER DOCUMENTS

10. Content of Tender Document

- 10.1 The set of tender documents comprises the following documents and should be read in conjunction with any clarification notes issued in accordance with Clause 24:
 - Volume 1 Instructions to Tenderers
 - Volume 2 Draft Contract
 - General Conditions as applicable to this invitation to tender (available online from <http://contracts.gov.mt/en/Tenders/Pages/Tenders.aspx>)
 - Special Conditions
 - Volume 3 Technical Specifications
 - Volume 4 Model Financial Bid/Bill of Quantities

- 10.2 Tenderers bear sole liability for examining with appropriate care the tender documents, including those design documents available for inspection, and any clarification notes to the tender documents issued during the tendering period, and for obtaining reliable information with respect to conditions and obligations that may in any way affect the amount or nature of the tender or the execution of the works. In the event that the tenderer is successful, no claim for alteration of the tender amount will be entertained on the grounds of errors or omissions in the obligations of the tenderer described above.
- 10.3 The tenderer must provide all documents required by the provisions of the tender document. All such documents, without exception, must comply strictly with these conditions and provisions and contain no alterations made by the tenderer.

11. Explanations/Clarification Notes Concerning Tender Documents

- 11.1 Tenderers may submit questions in writing to the Contracting Authority through:
- sending an email to athleticsmlt@gmail.com
- The Contracting Authority must reply to all tenderers' questions, and amend the tender documents by publishing clarification notes.
- 11.2 Questions and answers, and alterations to the tender document will be published as a clarification note on the website of the MAAA within the respective tender's page. Clarification notes will constitute an integral part of the tender documentation, and it is the responsibility of tenderers to visit this website and be aware of the latest information published online prior to submitting their Tender.
- 11.3 The Contracting Authority may, at its own discretion, as necessary and in accordance with Clause 24, extend the deadline for submission of tenders to give tenderers sufficient time to take clarification notes into account when preparing their tenders.

12. Labour Law

- 12.1 Particular attention is drawn to the conditions concerning the employment of labour in Malta and the obligation to comply with all regulations, rules or instructions concerning the conditions of employment of any class of employee.

13. Law

- 13.1 By submitting their tenders, tenderers are accepting that this procedure is regulated by Maltese Law, and are deemed to know all relevant laws, acts and regulations of Malta that may in any way affect or govern the operations and activities covered by the tender and the resulting contract.

C. TENDER PREPARATION

14. Language of Tenders

- 14.1 The tender and all correspondence and documents related to the tender exchanged by the tenderer and the Contracting Authority must be written in English.
- 14.2 Supporting documents and printed literature furnished by the tenderer may be in another language, provided they are accompanied by an accurate translation into English. For the purposes of interpretation of the tender, the English language will prevail.

15. Presentation of Tenders

- 15.1 Tenders must satisfy the following conditions:

- (a) All tenders must be submitted in one original, clearly marked “original”, and one identical copy (including all documentation as in the original) signed in the same way as the original and clearly marked “copy”.
- (b) Both documents are to be separately sealed and placed in another sealed envelope/package so that the bid can be identified as one tender submission. Following the tender opening session, the copy shall be kept, unopened, at the MAAA, for verification purposes only should the need arise.
- (c) All tenders must be received by date and time indicated in the timetable at Clause 2 and deposited in the tender box at the entrance of the MAAA Head Quarters, 6, Racecourse Street. Marsa.
- (d) All packages, as per (b) above, must bear only:
 - (i) the above address;
 - (ii) the reference of the invitation to tender concerned;
 - (iii) the name of the tenderer.

16. Content of Tender (Single-Envelope System)

16.1 The tender must comprise the following duly completed documents, inserted in a single, sealed envelope (unless their volume requires a separate submission):

- (a) No bid-bond is required.
- (b) *General/Administrative Information*^(Note 2)
 - (i) Statement on Conditions of Employment (Volume 1, Section 4)
- Selection Criteria*
- (c) *Financial and Economic Standing*^(Note 2)
 - (i) Evidence of economic and financial standing is required
- (d) *Technical Capacity*^(Note 2)
 - (i) Evidence that they meet or exceed certain minimum standards.
- (e) *Evaluation Criteria/Technical*
 - (i) Tenderer’s Technical Offer in response to specifications (Volume 3)
Specifications ^(Note 3)
- (f) *Financial Offer/Bill of Quantities*^(Note 3)
 - (i) The Tender Form in accordance with the form provided in Volume 1, Section 2; a separate Tender Form is to be submitted for each option tendered, each form clearly marked ‘Option 1’, ‘Option 2’ etc.;
 - (ii) A financial bid calculated on a basis of **Delivered Duty Paid (DDP)** for the supplies tendered in the form provided in Volume 4.

Notes to Clause 16.1:

1. Tenderers will be requested to clarify/rectify, within five working days from notification, the tender guarantee only in the following two circumstances: either incorrect validity date, and/or incorrect value.
2. Tenderers will be requested to either clarify/rectify any incorrect and/or incomplete documentation, and/or submit any missing documents within five working days from notification.
3. No rectification shall be allowed. Only clarifications on the submitted information may be requested.

Tenderers must indicate where the above documentation is to be found in their offer by using an index. All documentation is to be securely bound/filed.

Tenderers are NOT required NOR expected to submit, with their offer, any components of the tender document except those specifically mentioned in Clause 16.

17. Tender Prices

- 17.1 Tenderers will be deemed to have satisfied themselves, before submitting their tender, to its correctness and completeness, to have taken account of all that is required for the full and proper performance of the contract, and to have included all costs in their rates and prices.
- 17.2 The tender must be submitted in Euro (€). Three decimal points do not exist as currency; therefore such offers cannot be accepted. Offers are to be submitted up to two decimal points.
- 17.3 Tenderers must quote all components of the price **inclusive** of taxes, customs and import duties and any discounts **BUT** excluding VAT. VAT shall be paid in accordance with the applicable VAT Regulations.
- 17.4 Different options are to be clearly identifiable in the technical and financial submission; **a separate Tender Form (as per Volume 1, Section 2) marked 'Option 1', 'Option 2' etc. for each individual option clearly outlining the price of the relative option is to be submitted.**
- 17.5 If the tenderer offers a discount, the discount must be absorbed in the rates of the Bill of Quantities/Financial Statement.
- 17.6 The prices for the contract, must include all of the works to be provided. The prices quoted are fixed and not subject to revision or escalation in costs, except for any increases determined by government in respect to its policies or otherwise provided for in the Special Conditions.

18. Currencies of Tender and Payments

- 18.1 The currency of the tender is the Euro (€). All sums in the breakdown of the overall price, in the questionnaire and in other documents must be expressed in Euro (€), with the possible exception of originals of bank and annual financial statements.
- 18.2 Payments will be made upon certification of supplies by the Contracting Authority, based on the invoice issued by the Contractor, in accordance with the timeframes, terms and conditions of the contract.
- 18.3 All correspondence relating to payments, including invoices and interim and final statements, must be submitted as outlined in the contract.

19. Period of Validity of Tenders

- 19.1 Tenders must remain valid for a period of 90 days after the deadline for submission of tenders indicated in the contract notice, the tender document or as modified in accordance with Clauses 11.3 and/or 24. Any tenderer who quotes a shorter validity period will be rejected.
- 19.2 Head of Contracting Authority may consider cancelling the tender in the event that the evaluation process has not been concluded by the end of the validity period of the submitted bids.
- 19.3 In exceptional circumstances the Contracting Authority may request that tenderers extend the validity of tenders, without extending the validity of the Tender Guarantee

(Bid Bond), for two further periods of four (4) weeks each. Such requests and the responses to them must be made in writing. A tenderer may refuse to comply with such a request without forfeiting his tender guarantee (Bid Bond). However, his tender will no longer be considered for award. If the tenderer decides to accede to the extension, he may not modify his tender.

- 19.4 Following the further extension by eight (8) weeks, in accordance with Regulation 6(2)(c) of LN296/2010 the non-conclusion of the evaluation process will automatically lead to the cancellation of the tender, provided that the Head of Contracting Authority determines otherwise within the parameters of the procurement regulations.
- 19.5 The successful tenderer must maintain his tender for a further 60 days from the date of notification of award.

20. Tender Guarantee (Bid Bond)

- 20.1 No tender guarantee (bid bond) is required.

21. Variant Solutions

- 21.1 No variant solutions will be accepted. Tenderers must submit a tender in accordance with the requirements of the tender document.

22. Preparation and Signing of Tenders

- 22.1 All tenders must be submitted in one original, clearly marked “original”, and one identical copy (including all documentation as in the original) signed in the same way as the original and clearly marked “copy”. Tenders must comprise the documents specified in Clause 16 above.

It is the responsibility of the tenderers to ensure that both the original and the copy are an identical representation of one another.

- 22.2 The tenderer’s submission must be typed in, or handwritten in indelible ink. Any pages on which entries or corrections to his submission have been made must be initialled by the person or persons signing the tender. All pages must be numbered consecutively by hand, machine or in any other way acceptable to the Contracting Authority.
- 22.3 The tender must contain no changes or alterations, other than those made in accordance with instructions issued by the Contracting Authority (issued as clarification notes) or necessitated by errors on the part of the tenderer. In the latter case, corrections must be initialled by the person signing the tender.
- 22.4 The tender will be rejected if it contains any alteration, tampering, addition or deletion to the tender documents not specified in a clarification note issued by the Contracting Authority.

D. SUBMISSION OF TENDERS

23. Sealing and Marking of Tenders

- 23.1 The tenders must be submitted in English and deposited in the MAAA tender box **before** the deadline specified in Clause 2 or as otherwise specified in accordance with Clause 11.1 and/or 24.1.

They must be submitted BY HAND ONLY to:

**MAAA
6, RACECOURSE STREET,
MARSA**

Tenders submitted by any other means will not be considered.

- 23.2 Tenderers must seal the original and the copy of their tender as outlined in Clause 15.
- 23.3 If the outer envelope is not sealed and marked as required in Sub clause 15.1, the Contracting Authority will assume no responsibility for the misplacement or premature opening of the tender.

24. Extension of Deadline for Submission of Tenders

- 24.1 The Contracting Authority may, at its own discretion, extend the deadline for submission of tenders by issuing a clarification note in accordance with Clause 11. In such cases, all rights and obligations of the Contracting Authority and the tenderer regarding the original date specified in the contract notice will be subject to the new date.

25. Late Tenders

- 25.1 All tenders received after the deadline for submission specified in the contract notice or these instructions will be kept by the Contracting Authority. The associated guarantees will be returned to the tenderers.
- 25.2 No liability can be accepted for late delivery of tenders. Late tenders will be rejected and will not be evaluated.

26. Alterations and Withdrawal of Tenders

- 26.1 Tenderers may alter or withdraw their tenders by written notification prior to the deadline for submission of tenders. No tender may be altered after the deadline for submission.
- 26.2 Any notification of alteration or withdrawal must be prepared, sealed, marked and submitted in accordance with Clause 23, and the envelope must also be marked with "alteration" or "withdrawal".
- 26.3 The withdrawal of a tender in the period between the deadline for submission and the date of expiry of the validity of the tender will result in forfeiture of the tender guarantee provided for in Clause 20.

E. OPENING AND EVALUATION OF OFFERS

27. Opening of Tenders

- 27.1 Tenders will be opened in public session on the date and time indicated in the timetable at Clause 2 (or as otherwise specified in accordance with Clause 11.1 and/or 24.1) at the MAAA HEADQUARTERS, 6, RACE COURSE STREET, MARSAA by the MAAA officials.

They will draw up a 'Summary of Tenders Received' which will be published on the notice board at the MAAA and shall also be available to view on the MAAA Website.

- 27.2 At the tender opening, the tenderers' names, the tender prices, written notification of alterations and withdrawals and any other information the Contracting Authority may consider appropriate will be published on the MAAA website.
- 27.3 Envelopes marked "withdrawal" will be read out first and returned to the tenderer.
- 27.4 Reductions or alterations to tender prices made by tenderers after submission will not be taken into consideration during the analysis and evaluation of tenders.

28. Secrecy of the Procedure

- 28.1 After the opening of the tenders, no information about the examination, clarification, evaluation or comparison of tenders or decisions about the contract award may be disclosed before the notification of award.
- 28.2 Information concerning checking, explanation, opinions and comparison of tenders and recommendations concerning the award of contract, may not be disclosed to tenderers or any other person not officially involved in the process unless otherwise permitted or required by law.
- 28.3 Any attempt by a tenderer to approach any member of the Evaluation Committee/Contracting Authority directly during the evaluation period will be considered legitimate grounds for disqualifying his tender.

29. Clarification of Tenders

- 29.1 When checking and comparing tenders, the evaluation committee may after consultation with the Head, Contracting Authority, ask a tenderer to clarify any aspect of his tender.
- 29.2 Such requests and the responses to them must be made by e-mail. They may in no circumstances alter or try to change the price or content of the tender, except to correct arithmetical errors discovered by the evaluation committee when analysing tenders, in accordance with Clause 31.

30. Tender Evaluation Process

- 30.1 The following should be read in conjunction with Clause 27.

30.2 Part 1: Administrative Compliance

The Evaluation Committee will check the compliance of tenders with the instructions given in the tender document, and in particular the documentation submitted in respect of Clause 16.

The Evaluation Committee shall, after having consulting with the Head, Contracting Authority, request rectifications in respect of incomplete/non-submitted information pertinent to the documentation as outlined in sub-Clause 16.1(a), 16.1(b), 16.1(c), 16.1(d) and 16.1(e)(i) of these Instructions to Tenderers. Such rectification/s must be submitted within five (5) working days from notification, and will be subject to a non-refundable administrative penalty of €50: failure to comply shall result in the tender offer not being considered any further. No rectification shall be allowed in respect of the documentation as outlined in sub-Clause 16.1(e)(ii) and 16.1(f) of these Instructions to Tenderers. Only clarifications on the submitted information in respect of the latter may be eventually requested.

30.3 Part 2: Eligibility and Selection Compliance

Tenders which have been considered administratively compliant shall be evaluated for admissibility as outlined below:

(i) Eligibility Criteria

- Tender Form (Volume 1, Section 2)

(ii) Selection Criteria

- Evidence of technical capacity (sub-Clause 6.1.2)

30.4 Part 3: Technical Compliance

At this step of the evaluation process, the Evaluation Committee will analyse the administratively-compliant tenders' technical conformity in relation to the technical specifications (Volume 3, and the documentation requested by the Contracting Authority as per sub-Clause 16(e)), classifying them technically compliant or non-compliant.

Tenders who are deemed to be provisionally technically compliant through the evaluation of their technical offer (especially the specifications) shall be requested to submit samples so that the Evaluation Committee will corroborate the technical compliance of the offers received.

The tenderer may be exempted from submitting samples. However the specific brand name and the respective reference of the Letter of Acceptance/Contract must be clearly indicated in the tender submission.

30.5 Part 4. Financial Evaluation

The financial offers for tenders which were not eliminated during the technical evaluation (i.e., those found to be technically compliant) will be evaluated.

31. Correction of Arithmetical Errors

- 31.1 Admissible tenders will be checked for arithmetical errors by the Evaluation Committee. Errors will be corrected as follows:
- (a) where there is a discrepancy between amounts in figures and in words, the amount in words will prevail;
 - (b) where there is a discrepancy between a unit price and the total amount derived from the multiplication of the unit price and the quantity, the unit price as quoted will prevail.
- 31.2 The amount stated in the tender will be adjusted by the Evaluation Committee in the event of error, and the tenderer will be bound by that adjusted amount. In this regard, the Evaluation Committee shall seek the prior approval of the Head, Contracting Authority to communicate the revised price to the tenderer. If the tenderer does not accept the adjustment, his tender will be rejected and his tender guarantee forfeited.
- 31.3 When analysing the tender, the evaluation committee will determine the final tender price after adjusting it on the basis of Clause 31.1.

F. CONTRACT AWARD

32. Criteria for Award

- 32.1 The sole award criterion will be the price. The contract will be awarded to the cheapest priced tender satisfying the administrative and technical criteria in all respects.

33. Right Of The Contracting Authority To Accept Or Reject Any Tender

- 33.1 The Contracting Authority reserves the right to accept or reject any tender and/or to cancel the whole tender procedure and reject all tenders, even the most advantageous. The Contracting Authority reserves the right to initiate a new invitation to tender.
- 33.2 In the event of a tender procedure's cancellation, tenderers will be notified by the Contracting Authority. If the tender procedure is cancelled before the outer envelope of any tender has been opened, the sealed envelopes will be returned, unopened, to the tenderers.
- 33.3 Cancellation may occur where:
- (a) the tender procedure has been unsuccessful, namely where no qualitatively or financially worthwhile tender has been received or there has been no response at all;

- (b) the economic or technical parameters of the project have been fundamentally altered;
- (c) exceptional circumstances or force majeure render normal performance of the project impossible;
- (d) all technically compliant tenders exceed the financial resources available;
- (e) there have been irregularities in the procedure, in particular where these have prevented fair competition.
- (f) the duration of the evaluation has exceeded the stipulated time limit in Article 19 of Instructions to Tenderers

In no circumstances will the Contracting Authority be liable for damages, whatever their nature (in particular damages for loss of profits) or relationship to the cancellation of a tender, even if the Contracting Authority has been advised of the possibility of damages. The publication of a contract notice does not commit the Contracting Authority to implement the programme or project announced.

34. Notification of Award, Contract Clarifications

- 34.1 Prior to the expiration of the period of validity of tenders, the Contracting Authority will notify the successful tenderer, in writing, that his tender has been recommended for award, pending any appeal being lodged in terms of Part XIII of the Public Procurement Regulations (being reproduced in Volume 1, Section 6).
- 34.2 Unsuccessful bidders shall be notified with the outcome of the evaluation process, and will be provided the following information:
 - (i) the criteria for award;
 - (ii) the name of the successful tenderer;
 - (iii) the recommended price of the successful bidder;
 - (iv) the reasons for rejection / notification that the offer was not the cheapest (if applicable);
 - (v) the deadline for filing a notice of objection (appeal);
 - (vi) the deposit required if lodging an appeal.
- 34.3 The recommendations of the tender Evaluation Board as accepted by the Contracting Authority shall be published on the MAAA website.

35. Contract Signing and Performance Guarantee

- 35.1 After the lapse of the appeals period, and pending that no objections have been received and/or upheld, the successful tenderer may be invited to clarify certain contractual questions raised therein. Such clarification will be confined to issues that had no direct bearing on the choice of the successful tender. The outcome of any such clarifications will be set out in a Memorandum of Understanding, to be signed by both parties and incorporated into the contract.
- 35.2 Before the Contracting Authority signs the contract with the successful tenderer, the successful tenderer may be requested to provide the documentary proof or statements required to show that it does not fall into any of the exclusion situations listed in Tenderer's Declaration of the Tender Response Format. The above mentioned documents must be submitted by every member of a Joint Venture/Consortium (if applicable).
- 35.3 The Contractor shall, within 15 calendar days of receipt of the contract, sign and date the contract and return it together with a copy of the Performance Guarantee. The Contractor is further obliged to forward the original performance guarantee to the Contracting Authority. The Contracting Authority will not effect any payment to the contractor until the performance guarantee is submitted.
- 35.4 If the selected tenderer fails to sign and return the contract, other required documentation, and any guarantees required within the prescribed 15 calendar days, the Contracting Authority may consider the acceptance of the tender to be cancelled without prejudice to the Contracting Authority's right to seize the guarantee, claim compensation

or pursue any other remedy in respect of such failure, and the successful tenderer will have no claim whatsoever on the Contracting Authority.

The tenderer whose tender has been evaluated as [second cheapest/second most economically advantageous] may be recommended for award, and so on and so forth.

- 35.5 Only the signed contract will constitute an official commitment on the part of the Contracting Authority, and activities may not begin until the contract has been signed by the Contracting Authority and the successful tenderer.
- 35.6 Tender guarantees (bid bonds) provided by tenderers who have not been selected shall be released within 30 calendar days from the signing of the contract. The tender guarantee of the successful tenderer shall be released on the signing of the contract, and on submission of a valid performance guarantee.
- 35.7 The performance guarantee referred to in the General Conditions is set at 10% of the amount of the contract and must be presented in the form specified in Volume 2, Section 4, to the tender document the performance guarantee shall be released within 30 days of the signing of the Final Statement of Account (Final Bill), unless the Special Conditions provide otherwise.

36. Period of Delivery and Installation

- 36.1 The period of delivery and installation is ten (10) weeks from date of letter of acceptance, or email / letter giving the go ahead to start works.
- 36.2 The Contractor must inform the Contracting Authority's representative by return that he has received the notice.

G. MISCELLANEOUS

37. Ethics Clauses

- 37.1 Any attempt by a candidate or tenderer to obtain confidential information, enter into unlawful agreements with competitors or influence the committee or the Contracting Authority during the process of examining, clarifying, evaluating and comparing tenders will lead to the rejection of his candidacy or tender and may result in administrative penalties.
- 37.2 Without the Contracting Authority's prior written authorisation, the Contractor and his staff or any other company with which the Contractor is associated or linked may not, even on an ancillary or subcontracting basis, supply other services, carry out works or supply equipment for the project. This prohibition also applies to any other programmes or projects that could, owing to the nature of the contract, give rise to a conflict of interest on the part of the Contractor.
- 37.3 When putting forward a candidacy or tender, the candidate or tenderer must declare that he is affected by no potential conflict of interest, and that he has no particular link with other tenderers or parties involved in the project.
- 37.4 The Contractor must at all times act impartially and as a faithful adviser in accordance with the code of conduct of his profession. He must refrain from making public statements about the project or services without the Contracting Authority's prior approval. He may not commit the Contracting Authority in any way without its prior written consent.
- 37.5 For the duration of the contract, the Contractor and his staff must respect human rights and undertake not to offend the political, cultural and religious morals of Malta.
- 37.6 The Contractor may accept no payment connected with the contract other than that provided for therein. The Contractor and his staff must not exercise any activity or receive any advantage inconsistent with their obligations to the Contracting Authority.

- 37.7 The Contractor and his staff are obliged to maintain professional secrecy for the entire duration of the contract and after its completion. All reports and documents drawn up or received by the Contractor are confidential.
- 37.8 The contract governs the Parties' use of all reports and documents drawn up, received or presented by them during the execution of the contract.
- 37.9 The Contractor shall refrain from any relationship likely to compromise his independence or that of his staff. If the Contractor ceases to be independent, the Contracting Authority may, regardless of injury, terminate the contract without further notice and without the Contractor having any claim to compensation.
- 37.10 The tender(s) concerned will be rejected or the contract terminated if it emerges that the award or execution of a contract has given rise to unusual commercial expenses. Such unusual commercial expenses are commissions not mentioned in the main contract or not stemming from a properly concluded contract referring to the main contract, commissions not paid in return for any actual and legitimate service, commissions remitted to a tax haven, commissions paid to a recipient who is not clearly identified or commissions paid to a company which has every appearance of being a front company.

38. Data Protection and Freedom of Information

- 38.1 Any personal data submitted in the framework of the procurement procedure and/or subsequently included in the contract shall be processed pursuant to the Data Protection Act (2001). It shall be processed solely for the purposes of the performance, management and follow-up of the procurement procedure and/or subsequent contract by the Contracting Authority/Contracting Authority without prejudice to possible transmission to the bodies charged with a monitoring or inspection task in conformity with National and/or Community law.
- 38.2 The provisions of this contract are without prejudice to the obligations of the Contracting Authority in terms of the Freedom of Information Act (Cap. 496 of the Laws of Malta). The Contracting Authority, prior to disclosure of any information in relation to any provisions of this contract which have not yet been made public, shall consult the contractor in accordance with the provisions of the said Act, pertinent subsidiary legislation and the Code of Practice issued pursuant to the Act. Such consultation shall in no way prejudice the obligations of the Contracting Authority in terms of the Act.

39. Gender Equality

- 39.1 In carrying out his/her obligations in pursuance of this contract, the tenderer shall ensure the application of the principle of gender equality and shall thus 'inter alia' refrain from discriminating on the grounds of gender, marital status or family responsibilities. Tenderers are to ensure that these principles are manifest in the organigram of the company where the principles aforementioned, including the selection criteria for access to all jobs or posts, at all levels of the occupation hierarchy are amply proven. In this document words importing one gender shall also include the other gender.

VOLUME 1 SECTION 6 - EXTRACTS FROM THE PUBLIC PROCUREMENT REGULATIONS

Part II - Rules governing public contracts whose value does not exceed one hundred and twenty thousand euro (€120,000) as applicable for the publication, adjudication and award of this tender.

The procedure for the submission of appeals is stipulated in Part II of the Public Procurement Regulations (Legal Notice 296/2010), reproduced hereunder for ease of reference.

- 21(1) Where the estimated value of the public contract exceeds twelve thousand euro (€12,000) any tenderer or candidate concerned shall have a right to make a complaint to the Review Board in accordance with this regulation.
- (2) (a) The contracting authority shall be obliged to post on its website a notice indicating the awarded contract, the financial aspect of the award and the name of the successful tenderer. The contracting authority shall, by electronic means or by fax, inform the tenderer or candidate concerned of the publication of the award. The contracting authority shall be precluded from concluding the contract during the period allowed for the submission of appeals.
(b) The award process shall be completely suspended if an appeal is eventually submitted.
- (3) Any tenderer or candidate concerned who is aggrieved by the award indicated by the contract authority may, within five working days from the publication of the notice, file a letter of objection, together with a deposit, with the contracting authority, clearly setting forth any reason for his complaint. The deposit to be paid in respect of tenders valued at less than forty-seven thousand euro (€47,000) shall be four hundred euro (€400), while those between forty-seven thousand euro (€47,000) and one hundred and twenty thousand euro (€120,000) shall be 0.5% of the estimated value of the tender, with a minimum deposit of four hundred euro (€400). The letter by the complaining tenderer shall be affixed on the notice board of the contracting authority and shall be brought to the attention of the recommended tenderer.
- (4) After the expiry of the period allowed for the submission of a complaint, the contracting authority shall deliver the letter of complaint, the deposit receipt and all documents relating to the public contract in question to the Review Board who shall examine the matter in a fair and equitable manner. In its deliberation the Review Board shall have the authority to obtain, in any manner it deems appropriate, any other information not already provided by the contracting authority. The Review Board shall determine the complaint by upholding or rejecting it. The written decision of the Review Board shall be posted on the website of the contracting authority and copies thereof shall be forwarded to the Director of Contracts and all the parties involved.
- (5) (a) Any tenderer or candidate who feels aggrieved by a decision taken by the Review Board may appeal to the Court of Appeal (Superior Jurisdiction) as constituted in accordance with article 41(1) of the Code of Organization and Civil Procedure by means of an application filed in the registry of that court within twenty calendar days from the decision on which that decision has been made public.
(b) A copy of the appeal application shall be served on the Contracting Authority and on the recommended tenderer, if any, who may file a written reply within twenty days from the date of service.
(c) The Court of Appeal shall set down the cause for hearing at an early date, in no case later than two months from the date on which the appeal is brought before it and shall cause notice of such date to be given to the parties who, on their part, shall assume the responsibility to visit the court registry and be aware of the latest information regarding the appointment for the hearing of the case.
(d) After appointing the application for hearing, and after listening to the oral submissions made by all parties, the Court shall decide the application on its merits, within the shortest time possible but not any later than four months from the day when the appeal had been filed and the parties have been duly notified. Pending the decision of the Court, the process of the call for tenders shall be suspended.

- (6) Tender documents issued in terms of this Part shall include a clause informing tenderers that the award of the contract is subject to the right of recourse as provided for in this regulation, a copy of which should be reproduced in the documents.

Part XIII - Appeals

The procedure for the submission of appeals is stipulated in Part XIII of the Public Procurement Regulations (Legal Notice 296/2010).

 - Width of lanes: 1.22m ± 0.01m, which will include the lane line.
 - Width of lane line: 50mm in width.
 - Colour of lines: White

(Lane marking will conform to IAAF RULE 160 - Track Measurements, IAAF Competition Rules 2014-2015)

b) long jump pit

- Repair the existing landing area of the Long Jump Training Facility.
- Provide a sufficient quantity of sand so that the landing area will be filled with soft damp sand, the top surface of which shall be level with the take-off area (i.e. warm-up track).
- Provide a canvas cover that will adequately protect the full area of the Long Jump Training Facility (10m x 5m) with anchorage system to prevent lift in wind

c) rain water gutter

- Clean existing water gutter, and make good the upper edges to receive a new PVC or equivalent water gutter cover.
- Carefully clean the full length of the gutter (including the parts that extend beyond the warm-up track) that runs parallel to the warm-up area on the side adjacent to the football pitches.
- Replace the metal sheets that cover this gutter with adequate covers, which are firm and lockable in place so that when installed these does not pose any health and safety issues.

RESPONSIBILITY CLAUSE

Award of contract based on the submittals required for this tender (as specified in these specifications), does not make the Contracting Authority responsible for the compliance of the system with respect to the respective codes/ standards and regulations stated in the tender document. The successful bidder is responsible for compliance of the systems with respect to the respective codes/ standards and regulations stated in the tender document. If there are any clauses in the specifications that do not meet the minimum requirements of respective codes/ standards and regulations the bidders/tenderers are to comply with the requirements of the respective codes/ standards and regulations stated in the respective clauses section.

SYSTEM COMPLETENESS

Any works that are not specifically stated in the Technical Specifications or in the related BOQ but that are required for completeness, and to abide with the respective codes/ standards and regulations stated in the tender document any other mandatory regulations are to be included in prices quoted in the Financial Bid.

APPLICABLE CODES/ STANDARDS AND REGULATIONS OF THE TECHNICAL SPECIFICATIONS

All design and installation work (all material and works) detailed in this specification shall comply with relevant provisions of the following codes and standards as, if and where applicable:

European and British Standards Institution documents MSA EN or BS EN or IEC standards as specified or their equivalent as applicable:

- Standard Orders (Malta Board of Standards)
- Health and Safety Regulations
- Occupational Health and Safety and all other applicable Maltese standing Legislations and Regulations.
- EN 14877
- IAAF

IMPLEMENTATION

Contractor shall supply and deliver all system components to the project site. Contractor shall be responsible for making arrangements and provide the necessary storage facilities for each site for storage of all equipment.

SITE MANAGEMENT

Dust emission control measures must be taken to minimize the inconvenience to patrons and employees. All dust emitting machinery shall be incorporated with a vacuum system to collect any dust emitted.

The Contractor shall keep the site orderly, clean and in a safe condition at all times, immediately removing all waste and rubbish. The Contractor shall dispose of rubbish offsite daily during the progress of works and leave the whole of the site clean and in a condition to the satisfaction of the Project Manager.

The Contractor shall obtain the approval of the Project Manager for the location of entry and exit points for his employees and equipment to and from the site.

OTHER REQUIREMENTS

Allow for the removal and re-installation of any obstructions if and as required to perform all necessary works.

CERTIFICATION AND COMMISSIONING OF SYSTEMS

All the works/items provided as part of the contract shall be tested and inspected prior to being commissioned.

No section of the works shall be in any way concealed prior to testing and inspection and subsequent concealment where applicable shall only take place following written authority from the Project Manager.

WORKMANSHIP & SAFETY REGULATIONS

All workmanship shall be of a high standard and shall fully comply with the relevant British Codes of Practice, Local Standards and Regulations or equally approved IAAF Standards. Installation covered under this Contract shall also satisfy the Project Manager as regards finish and general appearance. All works shall be carried out by competent and licensed tradesman.

DESIGN OVERVIEW AND DESIGN SUBMITTALS

Bidder shall submit a comprehensive set of drawings including a plan of the area and section through the build-up proposed including dimensions.

It is expected that the tenderer checks and confirms and take full consideration of all physical and structural constraints in the design and eventual implementation of this project.

Sample requirements

- A sample 300x300mm in size of the track material proposed shall be submitted with tender.
- Sample of gutter cover is to be presented
- Sample of sand proposed is to be presented
- Material of canvas proposed is to be presented

Construction Method statement

A detailed Construction method statement is required to be submitted at tender stage showing detailed installation method of all items in tender.

Case studies

A list of projects using same product in Malta is requested

Professional and technical resources details

The tenderers shall submit at tendering stage the following information:

- The name of a warranted civil engineer who shall be responsible for the relevant technical aspects and supervision that shall produce a certificate at handing over certifying that works were carried out as per construction drawings.
- Independent Testing body testing and certification of the works according to the technical specifications
- The names and experience of metal work personnel
- The name of the person in charge of the Health and Safety of the team.
- The name of a Foreman/Supervisor in charge of the works in this tender.

PERFORMANCE REQUIREMENTS

- Stable ground circumstances even at extreme temperatures
- Excellent UV and weather resistance
- Wear resistant, high loading capacity
- Excellent appearance
- Excellent adhesion to sub base
- Long lasting life
- Seamless flooring.
- Materials IAAF approved
- Materials EN 14877 compliant

MATERIAL REQUIREMENTS

- All materials used are to conform to the IAAF List of Certified Track Surfacing Products that are to be found in the document 'IAAF CERTIFICATES - Certified Track Surfacing' in the section 'CERTIFICATION SYSTEM' and that can be retrieved from: <http://www.iaaf.org/about-iaaf/documents/technical>.
- All white line marking should conform to IAAF Rule 160 of the document 'IAAF Competition Rules 2014-2015' in the section 'RULES' that can be retrieved from: <http://www.iaaf.org/about-iaaf/documents/rules-regulations>.
