1. The individual provisional classifications are only featuring athletes that completed the first two RRL road races.
2. For the final individual classification athletes must complete any two 5K and any two 10K RRL races.
3. Team classifications are only capturing clubs that competed with a full team during the first 2 road races, as stipulated in the Road Running League Technical Handbook.
4. Clubs can still register athletes for the Road Running League ahead of the 10K Road National Championships scheduled for 18th January 2026.
5. Club athletes that will only register for the 10K and/or 5K Road National Championships can still score points for their respective clubs during those race competitions.
